GETTY MUSEUM CURATOR LECTURES AT THE CLEVELAND MUSEUM OF ART

Anyone who is interested in drawings by Old Masters and is aware of the J. Paul Getty Museum and its vast resources, will want to attend a free lecture coming up at The Cleveland Museum of Art. On Wednesday, May 29 at 5:45, George Goldner, the 41-year-old curator of drawings at the Getty Museum in Malibu, California, will discuss the highly important acquisitions the Getty has made in the two-and-a-half years it has been collecting. The lecture is held in conjunction with a special free exhibition, Renaissance Drawings from the Ambrosiana, on view at The Cleveland Museum of Art through June 16.
